Ydigoras told me tonight that Federico Carbonell, President Congress, Julio Prado Garcia Salas and Fernando Juarez y Aranda, Deputies, informed him Congress could not entertain his request for holding elections promptly because Junta made agreement with PRs to inscribe it in return for PR desisting from demonstrating. Ydigoras added Congressman said Flores Government inherited this commitment from Junta although Flores denied to him such agreement existed. (Eugenio Silva Pena told us earlier EMBTEL 159 such understanding was under consideration. We have not been able yet verify this information.) Ydigoras said he intends make public existence this agreement.

Ydigoras added he had heard government was already preparing its machinery to back Presidential candidate who he suspected might be PR candidate.
